### **CES Group™ Expands USGBC Membership**

**Eden Prairie, MN (March 2, 2010)**—CES Group, Inc. recently expanded its membership in the U.S. Green Building Council (USGBC) to include all of its member companies:

- Governair Corporation • HUNTAIR, Inc. • Mammoth-WEBCO, Inc. • Temtrol, Inc.
- Venmar CES, Inc. • Ventrol Air Handling Systems, Inc. • Eaton-Williams Group, Ltd.

“Each day, our company personnel and representatives help building owners and system designers in customizing innovative HVAC solutions that conserve natural resources,” said Bruce Anderson, VP Marketing, CES Group, Inc. “We are happy to advance our involvement with USGBC and promote their LEED® certification programs with our customers as ways to promote energy efficiency, high indoor air quality, and making indoor environments better places to learn, work and live.”

USGBC’s mission is to transform the way buildings and communities are designed, built and operated, enabling an environmentally and socially responsible, healthy, and prosperous environment that improves the quality of life. USGBC is a nonprofit organization composed of leaders from every sector of the building industry working to promote buildings and communities that are environmentally responsible, profitable and healthy places to live and work.”

CES Group companies provide innovative, custom-engineered environmental solutions for today’s most challenging HVAC applications sold under such leading brands as CLEANPAK®, FANWALL TECHNOLOGY®, Governair®, HUNTAIR®, Mammoth®, Temtrol®, Venmar CES™, Ventrol®, WEBCO™, and Eaton-Williams®.
