HUNTAIR, INC. AND CLIMATECRAFT, INC. REACH AGREEMENT IN PATENT INFRINGEMENT SUIT

Tualatin, OR (January 21, 2009)—ClimateCraft, Inc. and HUNTAIR, Inc. have settled the pending litigation and entered into an agreement under which ClimateCraft will license HUNTAIR's existing patents related to FANWALL®. ClimateCraft's fan array products allow for fans to be turned off for safety, repair and maintenance purposes. ClimateCraft's fan array products are not designed to turn individual fans on and off for the purpose of improving fan array efficiency, and ClimateCraft does not endorse turning individual fans on and off for the purpose of improving fan array efficiency. Any statement to the contrary is not supported by ClimateCraft. All other terms are confidential.

HUNTAIR, Inc., a subsidiary of CES Group, Inc., manufactures innovative custom air-handling solutions for controlling the environment inside buildings and in manufacturing processes. HUNTAIR is the inventor and technology leader of FANWALL TECHNOLOGY®—an array of smaller, quieter, and more energy-efficient fans, designed to deliver the required airflow in an air handler or built-up fan system. Learn more about FANWALL TECHNOLOGY at www.fanwalltechnology.com.

CES Group, Inc., is a wholly-owned subsidiary of Nortek, Inc., a leading multi-billion dollar diversified manufacturer of innovative, branded residential and commercial ventilation; home technology convenience and security; and heating, ventilating, and air conditioning (HVAC) products. CES Group, Inc., and its subsidiaries, serves its customers through 12 manufacturing locations around the world with over 74 years of manufacturing experience. Find your local CES Group™ Representative by visiting www.ces-group.com. CES Group provides innovative, cost-effective, custom-engineered solutions like FANWALL TECHNOLOGY, for today's most challenging HVAC applications sold under such leading brands as CLEANPAK™, Governair®, HUNTAIR®, Mammoth®, Temtrol®, Venmar CES™, Ventrol®, WEBCO™, and Eaton-Williams®.
